Road Ban Permits

- 1. All requests for permits must be submitted to Province & State Permitting at 1-877-547-4095.**
2. Requests must be applied for at least 24 hours in advance.
3. During Spring Bans any axle weight over 12,000 lbs / 5,445 kg will need to be permitted.
4. Outside of Spring Ban Season, Permits are required for axle weights or GVW weight exceeding Primary Legal Weight.
5. Permits will be approved by the RM Road Committee.
6. Fees will be \$300 plus GST per permit per truck. Permit is also valid with return.
7. The permit will be issued on the condition of the road surface.
8. Move must be made on Dry/Frozen Track only and move must be completed by 10:00 a.m.
9. Inspection of the road prior to the move may be done by the RM Foreman. All damage to roads will be repaired by the RM or it's contractors and will be billed back to the holder of the permit or company for which the work was done.
10. Drivers must be respectful of all residents and other traffic on the roads as regards speed and noise. The speed past residences is set at 60 km.
11. The driver will receive a copy of the Move Summary which will show the approval number for the move.
12. Farmers must contact the RM office for a permit.
