Therefore, this notice is provided at the request of Coco Group OA/Langenburg Redi-Mix Ltd., the construction company completing the work, to inform ratepayers of the Rural Municipality of Coalfields that construction on **Highway 39 from the US border to approximately 23.7 kms north will be starting on April 28th, 2020.**

Construction will consist of widening of the existing highway approximately 0.5 meters on both sides and fixing the side slopes to 5:1 in most locations with a few exceptions in the larger fill areas.

This notice is provided for informational purposes only.
