

DUST CONTROL APPLICATIONS

The Rural Municipality of Coalfields No. 4 is now accepting applications for the 2026 Dust Control Program within the RM of Coalfields No.04.

Ratepayers who wish to have dust control applied to roads adjacent to their property are invited to submit an application. Dust control helps improve visibility, enhances road safety, and reduces airborne dust for a healthier and more comfortable living environment.

Application Deadline: April 16, 2026

To participate, completed applications must be submitted to the RM Office located at 423 Main Street, Bienfait SK on or before the deadline date April 16, 2026.

Late applications will not be accepted.

For application forms, pricing, and program details, please contact the RM Office @ 306-388-2323
We encourage all interested ratepayers to apply early to ensure scheduling and availability.
